<b>Prerequisite(s) if any</b>	
<b>Objectives of the Course</b>	The aim of this course is to prepare students who plan to work attorneyship profession, for the contract processes that they will participate in on behalf of their clients in the future. Therefore students are taught the processes before the establishment of large-scale commercial contracts and fits for the expectations from an attorney in this process.
<b>Short Course Content</b>	This course aims to teach a new type of responsibility that has started to take place widely in practice as a result of the necessity of adapting to constantly changing commercial life. This change brings up new types of contracts which are frequently used in the against classical contract theories. As it is known, under the responsibility of culpa in contrahendo, the parties are also under the responsibility of pre-contractual terms. In this course, the period of contract negotiations, which sometimes lasts months, and the law of this period will be explained.
